ABP/N122-R50418  
**\$1786** EACH

## Mirrors

- Mini Hawk-Eye® mirror head
- Ball & stud mount
- Heated

RPS/3365H  
**\$4881** EACH

## FOR SUPERIOR SEALING, RELY ON SCOTSEAL®

With easy installation and longer service life, SKF Scotseal wheel seals are an optimal sealing solution for a wide range of maintenance demands.

### Scotseal PlusXL:

- Resists wheel end temperatures up to 300° F
- Compatible with popular synthetic fluid lubricants
- No tools required to install
- Wavelled design continually sweeps oil back to bearings
- Unitized design: four sealing lips keep road contaminants out and lubricants in

### Scotseal Classic:

- Long-lasting service and dependability
- Bore Tite™ coating provides better seal than metal-to-metal press fit
- Three lips for optimal sealing protection

For more reasons to use SKF Scotseal wheel seals for all of your maintenance needs, stop by our Parts Department today.

## Reflective Tape

- Superior durability withstands high-pressure washing & resists edge lift
- Single layer construction is thin & flexible for easy application
- School bus yellow
